

BLOCKBUSTERS

- 📖 A game of strategy for 2 players to practise times tables.
- 📖 You will need 3 dice and a different coloured marker for each player.
- 📖 Player 1 - Throw the dice. Choose 2 of the numbers to add or subtract and then multiply your result by the third number to capture a cell on the board. Put a cross through the number with your marker.
- 📖 Player 2 – Repeat as for player 1
- 📖 You are only allowed to mark a number once.
- 📖 The first to complete a path from side to side or top to bottom is the winner.
